

### Corporate Profile

Ryder System, Inc. is a Fortune 500 provider of leading-edge transportation, logistics and supply chain management solutions worldwide. Ryder's product offerings include: Fleet Management Solutions (FMS), which provides leasing, rental and programmed maintenance of trucks, tractors and trailers to commercial customers; Supply Chain Solutions (SCS), which manages the movement of materials and related information from the acquisition of raw materials to the delivery of finished products to end-users; and Dedicated Contract Carriage (DCC), which provides a turn-key transportation service that includes vehicles, drivers, routing and scheduling. Ryder serves customer needs throughout North America, Latin America, Europe and Asia.

For more than seven decades, Ryder has earned high marks for serving customers in a timely, cost-effective and reliable manner. That reputation has helped Ryder to continually rank among the industry's leading companies in many publications, including Fortune's Most Admired Companies, the InformationWeek 500 of leading business users of information technology and InternetWeek's top 100 U.S. companies for effectiveness in using the Internet to achieve tangible business benefits.

Ryder's stock (NYSE:R) is a component of the Dow Jones Transportation Average and the Standard & Poor's 500 Index.
